

Organization: [Whole School Wellness](#)

Locations: Positions available in Washington, DC and remotely

Job Position: Mental Health Consultant

Position Type: Full time & Part time available

InSite Solutions, LLC is committed to hiring a diverse staff of clinicians to effectively serve our patient population. BIPOC and LGBTQ individuals are encouraged to apply.

Position Description:

The current position includes the following components:

Capacity Building & Teacher Training

- Construct and deliver professional development trainings as requested by a system or school and in accordance with the negotiated scope of work.
- Meet regularly with system or school leaders to provide school-wide behavioral consultation.
- Meet weekly with a team of school staff (as chosen by school leaders) to build capacity for ongoing teacher/classroom coaching.
- Support the delivery of school-wide teacher wellness initiatives.

Behavioral Coaching

- Provide classroom-based observations, teacher feedback, and real-time behavioral coaching/modeling for a designated cohort of teachers throughout the school year. Coaching is designed to improve classroom management and increase teacher awareness of student behavioral needs, in particular those driven by chronic stress and trauma.
- Provide customized written recommendations to classroom teachers based on clinical analysis and needs assessment.
- Communicate recommendations to school leadership.

Management of data collection protocols

- Oversee the on-site implementation of data collection protocols.
- Communicate results as relevant to school teams.

Progress Reporting

- When requested, provide written summaries of progress in delivering programs to school partners.

Community Interface

- Assist schools with referrals for community mental health support, as relevant.

- Build and refine clinical and community referral network to support student's clinical needs.

Requirements:

- LPC, LMSW, LMFT, LICSW, LCSW, PsyD, or PhD in Clinical Psychology
- Licensed and in good standing to practice clinical psychology or clinical social work in Washington, DC (supervision hours toward licensure available)
- At least 2 years of training in EBPP (preferred)
- Demonstrated commitment to delivery of EBPP

Please submit resume/CV and cover letter to support@wholeschoolwellness.org
